“Camp Eagle” is the nickname for 1st grade at Catholic East Elementary, where I have been teaching since 2006.

I became a teacher in 1982 after I received my Bachelor of Science in Elementary Education with a minor in Art from Silver Lake College. I received my Master’s degree in Administration from Marian University in 1999.

I live in Hales Corners with my dogs, Buster, Dusty and Skippy. We enjoy going for walks and being at the dog park. I love being outside and gardening, biking and hiking. I’m also an avid Badgers and Packers fan, as well as having an interest in many other sports. I love to read, paint and draw.

Teaching at Catholic East Elementary offers each child an opportunity for growth of the whole child. Our days are always interesting! We love to learn and challenge ourselves. Stop in and find out what we’re all about!
