**Where  
Every Student  
Shines!**

My 2<sup>nd</sup> graders here at Catholic East Elementary, where I joined the staff in 2006, are so enthusiastic and loving. They bring a smile to my face every day.

I have a Bachelor of Arts in Elementary Education and English from Marquette University.

I am originally from Chicago where my parents, two sisters and brother all still live; however, I have extended family in Milwaukee. I love spending time with my young niece. I enjoy reading, softball, volleyball, playing games, spending time with my family and friends, horseback riding and water sports.

I love the diversity of our school and having smaller class sizes. With the smaller class sizes, I can give all my students the attention and help they need.
