Strong family values and a wonderful all-school Mass are part of what draw me to Catholic East Elementary, where I have taught since 2006.

Prior to Catholic East, I spent 6 years as a teacher at Milwaukee French Immersion School. I received my International Business Administration degree from American University in Paris, France. I also received my teaching certificate from UWM and my Master of Art in Teaching at Aurora University.

I am married to my wonderful husband, Eduardo, and I have two amazing children who attend school here at Catholic East. I enjoy reading, traveling, watching movies, gardening, roller blading, biking and doing activities together as a family.

I absolutely LOVE our all-school Mass here at Catholic East Elementary and our emphasis on strong family values, with lots of opportunities for parent involvement. Teaching K4 is so fulfilling because of the tremendous amount of growth I get to see in my students. They start out as the babies of the school and end the year with self-confidence and independence. It is such a joy to watch all the light bulbs go on in their heads
