Shines!

I really enjoy the great and supportive staff and families I've found here at Catholic East Elementary, where I have taught since 2007. I taught K5 until fall 2011, when I began teaching K4 mornings.

I have been teaching for more than 11 years and I received my Bachelor of Arts in Elementary Education from National-Louis University.

My husband, Jarrett, and I have three young children. I enjoy biking, reading, going to the beach, and spending time with my family.

At Catholic East, I especially enjoy watching the amount of growth that takes place each year with my kindergartners.
