Where
Every Student
Shines!

I'm excited to see the enthusiasm of Catholic East students toward working with 21st century learning techniques as I begin teaching K5 this fall.

I first got to know the children of Catholic East as a long-term substitute teacher for K5 in spring 2010, and continued as a long-term sub for Technology in fall 2010. I also served as co-teacher in our Kids Campus extended care program in 2010-11. I graduated from the University of Wisconsin-Milwaukee with a Bachelor's Degree in Early Childhood Education.

I recently married Sal Balistreri, a registered nurse at Children's Hospital, and I'm the proud parent of two dogs, Hoosier and Lola. My husband and I enjoy soccer, traveling, baking, going to our cottage, watching sports, and spending time with family.

I'm looking forward to working with such a diverse group of students in smaller class sizes. The atmosphere of Catholic East Elementary is that of a family which really makes it an amazing, warm place to be.
