**Where
Every Student
Shines!**

I am really looking forward to teaching the inspired learners of Catholic East as I begin as the 3rd grade teacher in fall 2011. I got to know many students through extended care staffing and substitute teaching at Catholic East during the past school year.

I received my Bachelor's degree in Education from the University of Wisconsin-Whitewater. I love to bike, camp, read, cook and play guitar and mandolin. My wife, April, and I celebrated our marriage at Three Holy Women Parish, where I am a member.

The enthusiasm of Catholic East students to learn and grow inspires me every day. I strive to maintain a hands-on, technology-based approach to teaching that will prepare students for future success.
