

## 4<sup>th</sup> Grade Molly Sisulak

*\* Catholic East \**

**Where  
Every Student  
Shines!**

One of the things I love most about Catholic East Elementary is the diversity of the school, where I have taught since 2005. I have a Bachelor of Arts in Elementary Education from Marquette University and taught for two years before coming to Catholic East.

My husband and I enjoy going to Brewer and Marquette games throughout the year. I am originally from Kansas City, and love to travel back home to see my family. My faith, family and friends are very important to me. I enjoy exercise, reading, playing board games, trying new recipes, spending time with family and friends, watching movies, sports, and water skiing.

The other things I love most about Catholic East Elementary are the new challenges each year, seeing the students connect new information across all subject areas, teaching about our Catholic faith and having discussions with the children about it. I love teaching 4<sup>th</sup> grade because the students are independent and they love school. I really enjoy teaching them in these transitional years in preparation for middle school.
