**Where
Every Student
Shines!**

I'm very excited to get to know my students as I begin teaching art at Catholic East this fall.

This will be my seventh year teaching and I also teach art three days a week at St. Matthias Parish School in Milwaukee, WI. I received my Bachelor of Science in Commercial Art and my teaching certification from Carroll University.

I have four nieces and three nephews I love spending time with. This means regular trips to Madison and Kansas City. The rest of my family lives in the Milwaukee area. I enjoy spending time outside and traveling. I swim, run, and play volleyball. I also like to read, relax, and spend time with my family and friends.

I believe art is a great way for children to express themselves, discover creativity and learn problem solving skills. The children will learn a variety of media and techniques through fun, interesting projects within a classroom that embraces the values of the Catholic faith.
