As the full-time school counselor, I am fortunate to help prepare our Catholic East scholars for academic, personal/social and career success.

I earned my Bachelor and Master of Arts degrees from Marquette University, where I studied School Counseling, Elementary Education and French.

Prior to coming to Catholic East in 2010, I taught English in France for a year and spent a summer learning Spanish while living with a host family and volunteering in Panamanian schools.

I enjoy traveling (especially to French-speaking parts of the world!), biking along the lakefront, doing yoga/Pilates, volunteering, watching movies and spending time with my family and friends.

I meet with children individually, in small groups and during classroom guidance lessons. Additionally, I have the pleasure of coordinating our monthly Citizenship student recognition program. Together we're preparing our scholars for success!
