I graduated from Marquette University in June 2011 with Bachelor's degree in Education and History. I began working at Catholic East in the fall of 2011. I really love working in Kids Campus because it allows me to get to know the students of Catholic East on a more personal level beyond the academics in the classroom. I also enjoy being able to work with every grade through my involvement in athletics and substituting.

I am originally from Kenosha, WI and my mother and father still reside there. I am the youngest of four with one sister and three brothers. My sister lives in Las Vegas, two of my brothers live in the Milwaukee area, and the other lives in New Hampshire. Besides this I have a large extended family which spans from Massachusetts to California. With my large family, I always have somewhere to stay when I travel.

I really enjoy spending time with family, watching the Brewers, riding my bike, and dabbling in photography during my free time.
