I've loved teaching at Catholic East Elementary since 2002 because it is a small school with a wonderful community feel.

I previously was a college basketball coach for UWM for five years. I have a Bachelor of Science in Physical Education and Health Education from Bemidji State University and a Master of Science in Sports Administration from UW-LaCrosse.

My husband, Steve, and I live in Wauwatosa. I enjoy all sports, as well as painting, reading and working out.

At Catholic East, we have energetic students, supportive parents, and a strong teaching staff. I know that our students love coming to "gym" class, and I appreciate their enthusiasm.

I am also the Athletic Director, as we offer volleyball and basketball for girls and basketball for boys in grades 4 – 8.
